Welcome to

WALSH PHOTOGRAPHIC DESIGN!

As you enjoy our work, the commitment to quality is obvious. Even casual observers pause to comment...

- "...artistic..."*
- "...striking and dramatic..."*
- "...unlike any portraits I've seen."*

Here at Walsh, we care about our work and we appreciate each portrait with a true artist's passion, creating images beyond normal portraiture.

Our trademark portraits combine a unique blend of dramatic artistry and meticulously handcrafted finishes created to be pieces of art and timeless family heirlooms.

But our real gift and talent is working with people. We make you feel confident and beautiful right here, right now, in a world where we don't always feel that way. Please join us and experience the world's most stunning portraiture.

IN THEIR OWN *Words*

“Thank you so much for making our ‘Relationships’ session such a wonderful experience! Your talent is so appreciated and your gentle demeanor made it so comfortable for all of us. I knew from the first time we met that you understood how extraordinary this opportunity was for our family. I hope we didn’t torture you too much with all our giggles!”

Kirsten Lee

“Words fail to describe the smiles and joy we experienced when we say the family portrait transformed into a “work of art” by your talented painter, Sherry. We remember the confidence we had after visiting your studio to see some of your prior work, and are delighted that our portraits turned out even better!”

John and Tyann Mooney

“Thanks for a truly enjoyable experience! My husband commented that he had never had so much fun taking pictures! Every picture is great. It was hard picking our favorites!”

Specialties

TIMELESS FAMILY HEIRLOOMS

100% SATISFACTION GUARANTEE

Everything we create has a one hundred percent satisfaction guarantee. If you're not thrilled with your portraits, we will retake them or refund your money, whichever you prefer.

ARTISAN WALL ART

A Our most sought after product is a unique blend of traditional photography and painterly art. Sherry Walsh, our portrait artist, transforms the original image by using numerous painting techniques and edge effects to create a one of a kind piece of art. Your final art piece is then meticulously printed on either archival canvas or fine art watercolor paper.

PANELS & COLLAGES

B-D Our panels and collages allow you to combine 3 or more images within a single frame and are the perfect blend of portraiture and artistry

A collage is a collection of 5 or more images, designed to creatively be one larger image and framed. It is perfect when wanting to combine several similar or themed photos into a single framed image. A Fusion Panel blends 3 portraits into one image by artistically blurring the edges between them to make them one single masterpiece. A Box Panel combines 3 images into one frame by accenting them with a digital matt.

- A. Collage, 14" x 30" w. Start at \$749
- B. Fusion Panel, 12" x 24" or 24" x 40" w. Start at \$599
- C. Box Panel, 12" x 24" or 24" x 40" w. Start at \$549

Our Designer Albums are personally designed to match the mood, style, and tones of your images—not one album looks alike. They are printed on rich watercolor paper and bound with a custom padded canvas cover. Our Books are bound in genuine leather. Each image is individually printed, hand edged in gold, and applied to thick lay-flat pages.

Designer Albums, 10" x 10" w. start at \$1500, and include 30-75 images.

Books, 4" x 5" or 5" x 7" w. start at \$480, and include 10-40 images.

“ What started out as simply having Walsh Photography take our child’s senior picture has turned into a professional documentation of our family’s life! Dennis and Randy enjoy their work and instantly make you feel special. We were moved by the way they’ve captured our family’s personality and know we will have them capture other important moments in our family history! ”
